MISSING YOU

You have given us so much of your time along this "stairway" of life with that extra lift to "dream on" to our future — for this we cannot thank you enough.

When we were in a "state of confusion," you gave us guidance. When we were "going down," you always had a bit of humor for us. We've shared many "good times-bad times" together, and the devotion you always gave to us will be remembered in our hearts. So to you, Paul Colombo and L. Bonnie Morrison, we dedicate this yearbook and simply say —

"Thank you."

IN MEMORIAM

A teacher affects eternity; he can never tell where his influence stops.

— Henry Adams

We were all saddened by the news of the passing of Mr. Donald Gallagher, a greatly respected member of the English Department. For 14 years Mr. Gallagher taught his students not only the routine lessons of grammar, composition, and literature, but also shared with them the wealth of knowledge that he had acquired through his experiences outside of the classroom. His wry sense of humor often brightened up an otherwise dreary day. His presence here was a credit to Clinton High School, and he will surely be missed by all who knew him.

CELEBRATION

Celebrate good times,
come on!

Some of the best times we shared together during our time at Clinton High involved the pageantry surrounding the annual Spirit Week festivities. It was then when we temporarily put our academic worries aside and instead concentrated on showing our Gael Spirit for the Class of '86. Although overall victory eluded our grasp each time, we managed to score our share of points in the various competitions, including the Class Cheer, which we succeeded in winning in each of our four years. And who can forget our hall-decorating triumph Junior Year?

No matter what the outcome was, each year we strengthened the many bonds of friendship between us and grew closer together as a class, all while "celebrating" our high school years together.

87

INTO THE NIGHT

Topping off Spirit Week was the evening that we eagerly awaited — the Homecoming Dance. We were all dressed to kill as we boogied "into the night" to our favorite tunes, played by WAAF's Jeff Berlin. Gina Boston's "daydreams" came true as she was crowned Homecoming Queen. Her court consisted of Lori Baird, Doreen Gorski, Tina Schmidt, and Patti Weego. Our "sharpest dressed man" was Toby Crowley, whose court included Chuck Bernard, Alain Goulet, Mark Lutes, and John Moran. No doubt about it, the Homecoming Dances gave us some of the wildest times we had together, and surely some of the most memorable.

HEAVEN

As the sweet smell of spring filled the air our attention turned to the "gala event" of our Junior Year — the prom, which was held at the Holiday Inn in Marlboro. We all looked absolutely "marvelous" in our gowns and tuxedos, making for some difficult decisions for the judges who had to determine the Royal Court. Pam Iacobucci emerged as the Queen, and she was accompanied by a court of Lisa Lavallee, Suzanne McGrail, Alesha Monteiro, and Mary Pat Ward. Kevin Ciciotte was chosen King, with Mike Duffy, Walter O'Connor, Mike Pizza, and Rob Rabideau acting as Courtiers. As "Fantasia" played our theme, it seemed as if we were in our own private "Heaven."

During the holiday season we sponsored a sale of German Advent Calendars. In March, we embarked on a day trip to New York City, where we appropriately toured the United Nations, as well as viewing "A Chorus Line" on Broadway. INTERCLASS DRAMATICS
"COMIN' ROUND THE MOUNTAIN"

Our 1986 entry was a "smash hit" that included outstanding performances from the entire cast, especially John Racz, who was awarded "Best Actor" for playing the role of Zeke. We extend our appreciation to Mr. Colombo and Mrs. Morrison for their efforts to make our play a success.

"We'll be headin' down that mountain purty soon.
We'll be headin' down that mountain purty soon.
And though this is our last year here,
We want to make it real clear,
We will carry our Gael Spirit to the moon."

BLOOD, SWEAT, AND TEARS

Although the 1985 Gaels finished with a disappointing 2-8 record, their efforts were much more competitive compared to past years. Led by a stubborn defense, Coach Archie Cataldi's troops refused to go down without a struggle. Captains Chuck Bernard, Randy Boydack, Toby Crowley, and Joe Sawyer, along with the remaining Seniors, poured their "blood, sweat, and tears" into the program in order to restore a sense of Gael pride there. Hopefully their efforts will pay off in the future.

WHEN THE GOING GETS TOUGH — THE TOUGH GET GOING

Thanks to the superb coaching of Geri Novia and the leadership of tri-captains Kathy Gadomski, Suzanne McGrail, and Kim Oberg, the 1985 fall season was a successful one for the field hockey team, whose 5-6-6 record was not indicative of their consistently stellar performances. Chief among these was a late-season upset of Milford High, as the Lady Gaels were the only ones to stain the otherwise flawless record of the Scarlet Hawks. The total team effort and Gael Spirit put forth by the Senior players showed everyone that "when the going got tough," they all "got going."

ALIVE AND KICKING

Steve Harwood

The soccer team holds a distinctive spot in the 1985 fall season, this being Clinton High's first year of competition ever in this sport. Although they were battling at the Junior Varsity level, our players' devotion and enthusiasm enabled the Gaels to finish with a very respectable 3-9 record. Much of the credit goes to coach Bob Shilalie and the Senior members of the squad for the confident leadership they displayed in their inaugural campaign, proving that soccer is definitely "alive and kicking" at C.H.S.

HIT ME WITH YOUR BEST SHOT

The volleyball team deserves much praise for their winning season of 7 wins and 6 losses. Under the direction of Coach Kathryn Wiinikka the Lady Gaels proved to be quite a challenge to their opponents, with only a late season defeat at the hands of Hudson High costing them a chance to compete in the District Playoffs. Displaying hard work and determination, the Senior members of the squad "took their best shot" and earned a record that did themselves and Clinton High School proud.

QUICKSILVER LIGHTNING

Led by a "lightning" quick fastbreak and a tough defense, Coach Gerry Foley's five finished with an excellent 10-7 record, narrowly missing berths in both the Clark Tourney and District Playoffs. An upset victory over Shrewsbury and a bitter one point loss to league champ Marlboro were indicative of the ups and downs experienced by tri-captains Steve Harwood, Rui Medeiros, and Joe Sawyer and the rest of the Senior cagers in their final season. The high scoring tandem of Harwood and Sawyer was honored as both "twin towers" were named to the Midland League All-Star Team.

JUMP

The 1985-86 girls' basketball season was a definite rebuilding year for Clinton High, and as a result the team consisted mainly of underclassmen. Jeanette Santiago was the ony member of the Class of '86 who dared to "jump" in and try her luck on the hardwood court. Although the Lady Gaels failed to win a game under the direction of first year coach Bernie Gaughan, they began to show glimpses of future competitiveness. Jeanette deserves our praise for her willingness to work hard and her winning attitude. She definitely did herself and her class proud.

Jeanette Santiago

THE STROKE

The Clinton High "Putters" had another extremely successful season on the golf links, narrowly missing their fourth consecutive Midland League title. Led by Seniors Fran Coleman, Jim Morin, Paul Mayou, Joe Garofoli, and Bill Coughlin, the Gaels finished with an 11-2-2 slate, completing a phenomenal four year record of 51-7-2 under Coach Donald Burgwinkle.

STRIKE ZONE

This year's edition of the Gael baseball team had one of the best seasons in C.H.S. history, finishing with a record of 15-5 and making it all the way to the District Semifinals before bowing to Oxford High by only one run for the second straight year. Led by tri-captains Joe Sawyer, Jack Wattu, and Todd Nugent as well as Senior catcher Toby Crowley, the Gaels managed to defeat every team in the Midland League at least once, including victories over perennial powerhouses Milford and Marlboro on their home turf. Coach Bernie Gaughan's troops performed so well that they definitely earned the right to say that they rank among the greatest Clinton teams of all-time.

TAKE ME OUT TO THE BALLGAME

The 1986 season was one of rebuilding for the Lady Gaels, who were hurt badly by losses from graduation. Coach Caesar DiTullio was forced to go with a young, inexperienced squad in the hopes of future successes, and this was evident in the team's 5-11 record. The Seniors, led by home run-hitting Laurie Frisch, represented themselves well by playing with hustle and determination, as well as stepping aside gracefully for the "youth movement." They deserve our praise for their efforts.

Unlimited thanks,
I extend to you.

For without you
what would I do?

It is under your guidance,
By which I grow.

It is within your patience,

It is through your kindness,

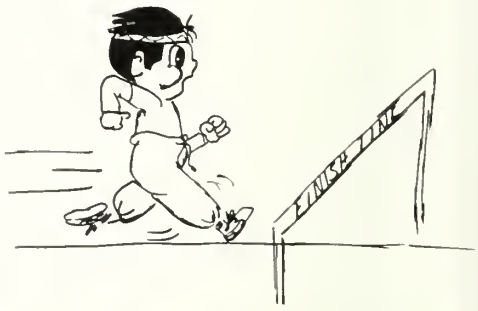
BORN TO RUN

Dave Maddocks

Although the Clinton High Track Team was not regarded as a power to be reckoned with in the always tough Midland League, it can be said that the Gaels improved immensely during the past four years, to the point that they are no longer regarded as the league "doormat." Many members of our class have participated during this time, but the lone Senior to run in '86 was Dave Maddocks, who enjoyed considerable success in the grueling two-mile race. 1986 was also highlighted by the first ever girls team at C.H.S., initiated by Coach Noreen Beaulieu, who deserves much credit for it.



GRADUATION

Graduation will soon be near
On that day we'll look back and shed a tear
For our careers it's a new start
But, friends and I will have to part.

I know it's hard to say "so long"
We need to see if our decisions are right or wrong.

If we choose Service, Business, or College
A new test of all our knowledge
Our lives went by so fast
We always thought it would last.

For us school is almost done
We never thought the time would come
But, now it has and we must smile
And best of luck through every mile.

From now until the rest of our years
The world will provide many fears
We will learn to take a punch
Or to follow a strong hunch.

We'll talk of reunions and our success
And wish to everyone the very best.

To our children '86 will seem far away
But, for us it will seem like the other day.

LOOKS LIKE WE MADE IT

On Sunday, June 1, 1986, we were garbed in our caps and gowns for the first time for the traditional Baccalaureate Service. The Reverend Philip Bauman of the First Congregational Church in Clinton spoke to us on the importance of our futures, after which we performed for the first time "The Greatest Love of All," our class song. Having received the Reverend Bauman's blessing, we marched out, excitedly anticipating the good times that we knew lay ahead during Senior Week.

DAY TRIPPER

Our first Senior Week event was a "day trip" to the Frank Davis Resort in Moodus, CT on June 3, 1986.

The time flew by as we enjoyed ourselves participating in the various recreational activities. No doubt, this was a day we will always remember.

LAST DANCE

On Thursday, June 5, we traveled to the White Cliffs Restaurant in Northboro for the last social event we would participate in together as a class: our Class Banquet. As a result, we enjoyed ourselves thoroughly, dining and dancing to the sounds of Glass Leaf. When it was all over, we realized that our high school years together were about to end all too soon. Next stop: Graduation!

CLASS ADVISORS

Mr. Paul Colombo
Mrs. Bonnie Morrison

THIS IS IT

The date for which it seemed we had been waiting forever had finally arrived — June 7, 1986: our Graduation Day.

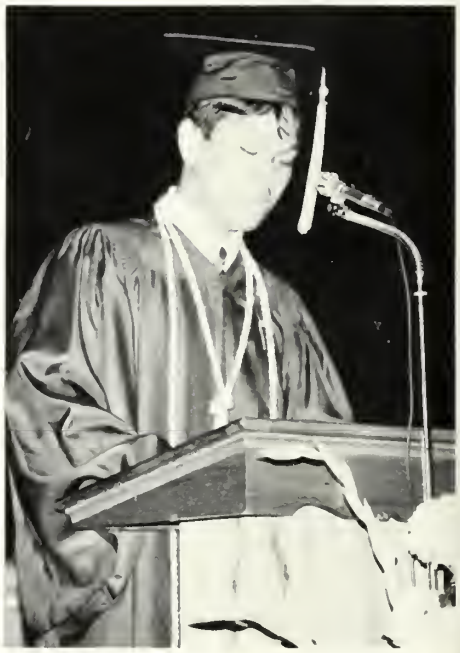
After we listened to the inspirational messages given to us by Class President Patti Weego, Valedictorian Joe Sawyer, Salutatorian Ron Pierce, and High Honor Students Chong Pang and Khiem Tran, we each experienced our own personal moment of glory as we walked across the Town Halll stage to receive our high school diploma.

Our graduation signaled our emergence from the cocoon of childhood as we stepped forward into the more difficult adult world. Although we will all go our separate ways in order to find personal fulfillment, we can never forget the precious times we shared together. As we leave our high school years behind us and venture forth to meet our destinies, we must always remember and be proud that we were the Class of '86.

"We must establish goals, strive to meet them, and ultimately realize our dreams, for without ambition, we have nothing."

"Living proudly . . . means you are proud because of what you did, not because of what you have."

"Success can be found in a less complicated life, richened with the warmth of family and friends."



"Each one of us has the responsibility to work up to our potential . . . take pride in your achievements."

"THE GREATEST LOVE OF ALL"

By George Benson
Adapted by Doreen Gorski

You believe that we all are the future
You taught us well and now we'll lead the way
And now it's time that we can all stand up and say,
We have a sense of pride
It won't be easy to stand out on our own and say
We'll make it all alone someday

We decided long ago, never to walk in anyone's shadows
If we fail, if we succeed,
At least we'll live as we believe,
No matter what they take from us
They can't take away our dignity.
Because we're on our way
To be just what we want to be
We'll be the person that only we can be.
The best in each of us is each to achieve.
The path we choose today will take us where we want to be.

Today we take a step out of the past and take a braver
Step into the future.
We won't forget the good times that we all have shared;
There'll be a special place inside of us for memories here.
(REFRAIN)
And if by chance that special place
That we've been dreaming of
Leads us to a lonely place,
We'll find our strength in love.
